We can only do what we can do. I have every confidence that we can figure this out. Please make absolutely sure to copy all parties on any documents you might send to me.

I apologize I did not reach out directly to you. I have been working with the IT Staff to get my E-Filing in Order to upload all of these documents.

I have all of the documents ready and I can go ahead and email them to you. I have a voicemail with IT staff right now because my E-File registration will not go through.

I would appreciate if we don't have to file a continuance, so please let me know if I email them to you if we can move forward?

Best Regards,

Victoria W. Kurtz, Esq.

It will be held virtually. I think the virtual plan that we used for the prehearing conference will be used for the hearing itself.

However, I was expecting to see several updated documents filed yesterday by the Applicant – those that were discussed in the prehearing conference. As of now, I have not seen it reflected that those documents have been filed. If the Applicant is going to need to seek a continuance in order to get all matters prepared for hearing, I would ask that the Applicant advise as soon as possible.

David Stark
